

# THE MORTIMER ARMS

## WEDDING BROCHURE

We can cater for up to 80 guests for wedding breakfast and up to 120 in the evening. As the room is decorated in neutral colours, you can decorate with your choice of colour coordinated accessories and table decorations. Just let us know what you would prefer.

We try to be as flexible as possible on the packages that we offer, so please feel free to discuss this with our Events Team.

Our fully stocked private bar is manned by our discreet and courteous staff throughout the day and evening. Our "secret patio garden" with seating and a splendid olive tree is accessed directly from the function suite. This area makes a beautiful backdrop for photographs of the Bride and Groom.

There are special package rates for our rooms and our romantic Honeymoon Suite is a must for the blushing Bride and Groom to complement their special day.

## WEDDING PACKAGES

We know everyone says it but in our case it really is true: getting married at the Mortimer Arms is a unique experience. Where else can have your guests toast you with glasses of bubbly delivered in a beautiful secret courtyard?
